January and July

*Barrett  
Everlastic  
Roofings*

*and Specialties*

**F**OR over sixty years we have been making roofings and other materials for farm and home. Every article on our list, therefore, may be bought with absolute assurance that it will be found thoroughly practical and reliable in every way.

**EVERLASTIC MULTI-SHINGLES**—Four shingles in one, each strip being as easily laid as a single shingle of any other kind. Saves labor and nails. The surface is "slated" in red or green. These Everlastic Multi-Shingles give a double thickness all over the roof, with three thicknesses where the wear is most severe. Fire-resisting.

**EVERLASTIC SLATE-SURFACED ROOFING**—A really splendid roofing, beautiful and artistic when laid. Slate-surfaced, yet sold in rolls. Made from the same materials as Everlastic "Rubber" Roofing with a special wearing-surface of crushed-slate particles, either red or green. Makes a fire-resisting and very durable roof.

**EVERLASTIC TYLIKE SHINGLES**—Same material as the Multi-Shingles, in red or green. Cut in single shingles, 8 x 12 $\frac{3}{4}$  in. Laid like ordinary wooden shingles and provide a triple thickness all over the roof. Make a beautiful, fire-resisting roof that will give long service.

**EVERLASTIC "RUBBER" ROOFING**—The most widely used of all our roll roofings, protecting hundreds of thousands of buildings all over the world. Tough, pliable, water-proof, and low in price. Very easy and economical to lay as no skilled labor is required. Nails and cement packed in each roll.

**ELASTIGUM**—This wonderful water-proof cement has a hundred different uses. Especially useful for mending gutters, joints around chimneys, parapets, skylights, etc. It is easy to apply, is acid-proof, damp-proof, and it sticks. Can be used in wet weather.

**BARRETT'S CARBOSOTA LIQUID CREOSOTE OIL**—Is the most efficient wood-preservative on the market today. It combines in the highest degree ability to penetrate deeply into the wood, antiseptic action toward fungous growth and insects, and resistance to the action of water and air. Its use will cut your wood-preserving bills in half.

**EVERJET ELASTIC PAINT**—Everjet is a high-grade carbon paint for industrial use; has no equal for protecting metal of all kinds against corrosive action of acids, alkalis, fumes, vapors, etc. Being elastic, extremes of heat or cold do not affect it. Water-proof and fire-retarding. Gives a perfect coating unbroken by pinholes or blebs. Try it.

**ON THE SQUARE**  
*Quincy Mass.*

**QUINCY'S BEST FURNITURE STORE**

Has Been So For Years

This business could not possibly have been developed to its present high standard without a code of business principles with which to guide its daily affairs. People are attracted to this store, not only by the type of furniture we sell, but by the moderate prices asked for quality furniture.

**Everything to Make a Cosy Home**

Make your home a place of refinement and comfort. If you want a single piece of furniture or want to furnish a home complete. You will find here the furniture you want at the price you want to pay.

**You will find it pays to trade at Shaw's**

We will arrange credit terms if you wish.
